Dan,

Attached is the file that Delphi provided to KCC to generate the cure notices on December 21, 2007. This file includes supplier name, purchase order no(s), and cure amounts for each purchase order. Because cure payments are to cure section 365 defaults of assumed contracts, the cure notices were sent to the contract counterparties. For this reason, the file does not reference proof of claim numbers. The committee members should, however, be able to readily sort the cure file by supplier name and match those supplier names with their lists of claims that they hold.

Unfortunately, we are unable to extend the cure election deadline for your clients beyond January 11, 2008. We are on a very tight deadline with the upcoming confirmation hearing scheduled to commence on January 17, 2008. The attached file should provide you with sufficient information to determine which of their claims are affected by Delphi's cure notices.

This information is provided to you under the existing confidentiality provisions between the parties.

If we can be of any further assistance, please do not hesitate to call me or John Lyons over the weekend. John's cell phone number is (312) 316-2286 and my cell phone number is (773) 575-3757.

Regards,

Joe
